Planning and Zoning:

Marlow Jacobson requested a Conditional Use Permit to hook a new septic system to an accessory structure located on a backlot at 35261 Shalom Dr SE. The Board did not see any problem with this request.

Old Business:

The 2018 Labor Day Car Show and Dance were discussed – it was another big hit, but the board's consensus was to eliminate the fireworks next year.

The board instructed B. Wavra to take the malfunctioning aerator to Acme Electric and have it repaired.

New Business:

The Board discussed looking into a new website that is easier for the administrator to maneuver when adding new information. A Facebook page for the District may also be a good idea and 1 initial newsletter mailed out to all residents with information on how to get to the website may also be created. This year a new directory will be developed and it was discussed that we could display the website URL on the front in bold print so the residents will see it and visit the website for updates and information.

The Board also discussed how septic systems around the lake may contribute to the water quality issues.

It was moved by B. Wavra, 2nd by J. Baune to reimburse Bonnie Abel for printer expenses and Labor Day event expenses that she paid for. Motion carried.

It was moved by L. Abel, 2nd by M. Moore to adjourn the meeting at 8:30 pm. Motion carried.
