L. Abel reported that oxygen testing was done and the lake is at satisfactory levels with 5 ppm in Maple Bay and 7 ppm near the floating dock.

Chris Erickson attended the meeting to ask for the Board's help communicating to the DNR that the cattails in front of his property are getting out of control and he would like to have permission to remove them. He believes that the cattails are a non-native invasive variety that spread faster than the normal variety. The Board will call the DNR to see if they could come to one of our meetings to visit with Chris and the Board regarding the matter.

It was moved by B. Wavra, 2<sup>nd</sup> by R. Behm to adjourn the meeting at 8:00 pm. Motion carried.
